

Privacy Policy

Danquah Institute values your privacy. Please read the following information about how we handle your information.

Website:

Solution Icons collects your IP address, browser type and operating system on each visit to every page on this site on our behalf. This information is used ONLY for internal statistic tracking purposes and is never shared with other entities outside Danquah Institute unless required by law enforcement. Your name and other information are NOT collected unless you specifically provide it.

E-Mail:

Danquah Institute does not send bulk e-mail messages, or 'Spam'. We only communicate with our current sponsors, invited guests to our programs (guests), current vendors, current stakeholders, insurance carriers or other parties that have an interest in becoming sponsors or partners. We will, on occasion, send all of our guests a group e-mail on upcoming programmes, information changes, website updates or when important issues arise. If you believe you have received bulk e-mail from us, or have received a suspicious e-mail that appears to be fraudulent, please contact us so that we can investigate the matter.

All e-mail messages received from our guests and partners are kept completely confidential and are never shared with parties outside of Danquah Institute without your express permission unless required by law enforcement.

If you do not wish to receive further e-mail communications from us, please click [remove me](#) to e-mail your request. We do not have an automated mail-list system because we send all of our e-mails manually.
